Oceana High School

Oceana, West Virginia

Foreword

Our school — our classmates — the big and little events — work and play — success and failure — laughter and tears — These make the record of the year.

These halls echo with the voices of those who have gone before us — to give our school its cherished traditions — traditions that we hold dear and proudly pass to those who will come after us.

This year we were a part of Oceana High, perhaps for our last year — perhaps for our first. We, too, will leave here something of ourselves.

Wherever we may be next year and in the years to come, may each of us remember this year as one of the best in our lives.

"The memory be green."

ACADEMICS

THROUGHOUT the year members of the Wyoming County Board of Education have worked diligently to take advantage of new opportunities for improvement of county schools. Ready for the March meeting are Mr. V. L. Haga, seated; Mr. Claude Phillips, president; and Mr. R. E. Kuhn, school superintendent. Standing are Mr. Fred Lokant, Mr. G. Everett Bailey, and Mr. Arnold Rose.

School Board Works for Improvement

MR. ROBERT E. KUHN

AFTER SUPERVISING county schools for the past four years, Mr. Kuhn resigned in May to become Chairman of the State Board of Probation and Parole.

For the past thirty-five years, he has served in the county school system as an efficient administrator, principal, and teacher.

MR. GEORGE M. NOLLEY, right, assumed new duties as superintendent of schools in May. For thirty-one years, as administrator and principal, he has worked to improve county schools. Here he confers with Mr. James Pizzino, chief clerk.

PRINCIPAL Ronald L. Cook works on his report for the North Central Association.

Principal Achieves Goals

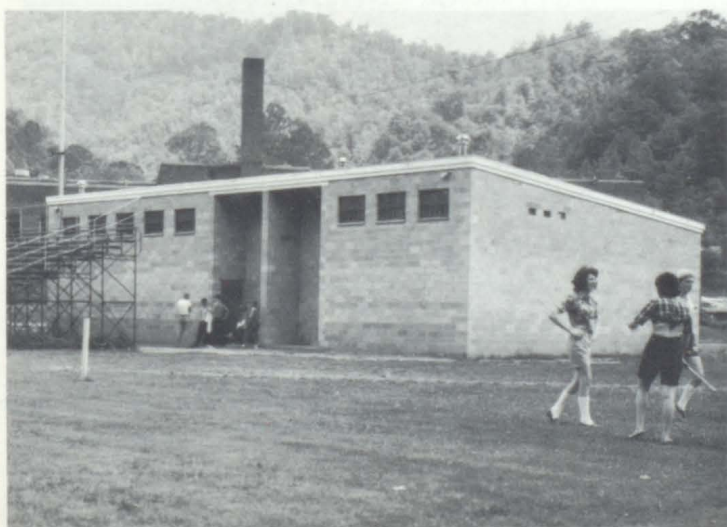

Always busy, Principal Ronald L. Cook worked to make this a banner year for Oceana High in school achievement and improvement.

Oceana High, a member school since 1954, was re-evaluated in April by the North Central Association of Secondary Schools and Colleges and met its high standards successfully.

Additions to the curriculum and club programs gave students new opportunities.

Largely through Mr. Cook's efforts, a new athletic building providing dressing rooms was added, giving the school a much needed facility. He rallied friends of the school to the cause and the two-year project was completed.

NEW BUILDING on football field now in use provides dressing room facilities, storage and office space.

NORTH CENTRAL team lists recommendations for Oceana High. With Mr. Cook are area principals Mr. Harry Brown, Mr. Marvin Varney, Mr. John Anderson and Mr. Charles Dean.

Mr. Morgan Checks School Attendance

LINE forms here for absentees as Mr. B. L. Morgan, attendance director, checks on excuses. Back in school again after a day's absence, Betty Ritchie and Linda Paynter come in for class admission slips.

School Secretary Meets Emergencies

HELP! School secretaries must be prepared for anything. Mrs. Sherry Brown bandages an injured finger for freshman J. R. White. It's just part of her day which is filled with routine duties.

Counselor Supervises New Work-Study Program

COUNSELOR Vernon Short explains the work-study program to Gayle Sizemore. One of his new duties this year was supervising the work of thirty-five students who were enrolled in this program. Testing, assisting seniors with college and work plans, helping with class schedules, and advising students on personal problems were among his varied duties.

English Stimulates Self-Expression

English classes are designed to develop communication through speaking, reading, writing, and listening. The English department puts stress on comprehensive reading, vocabulary development, and developing fluency and clarity in speaking and writing. Through constant practice, the student increases his ability to communicate with others.

FACULTY COMMITTEE checks report on the English Department prepared for the North Central Association. Members were Mrs. Jeanette Toler, Mr. B. L. Morgan, and Mrs. Mildred Whelan.

Indians Take

This was the big one. With a record of twenty-five victories behind them, the Indians had only one game to go.

The team had won over Clarksburg Roosevelt-Wilson in the semi-finals and now faced Williamstown's fine Yellow Jackets in the state finals.

Winning handily by a score of 95-72, the Indians came home with the state championship and a record of 26-0 for the season.

Oceana became the ninth team in the fifty-two years of tournament history to win state honors with an unblemished record.

"Our boys were great. This is by far the best team I have ever coached," said Coach Paul Greer after the victory.

For the Indians, it was the second state title in three years. The Indians also won the Class AA championship in 1963. Oceana has made five trips to the state tournament in the past six years.

COACH John Beckelheimer puts the squad through a rough day of practice.

Indian Football Team Chalks Up 8-2 Record

With pep, energy, and determination, Indian football players answered the call to practice and went on to compile an 8-2 record, the best in the school's history.

Under Chief John Beckelheimer, now in his third year as coach, the Indians have shown steady improvement. In his first season, the record was 3-7. Last year it was 5-4-1, and this season, 8-2.

Statistics-wise, the Indians broke almost every record in the book this season, setting 19 new marks and matching two old ones.

The Indians dominated the All-County team by placing six members on the squad. Those selected were guards, Joe Pendry and Charlie Toler; ends, Elwood Pennington and Greg Daniels; back, Gene Reid; and quarterback, Benny Cook. Pendry was named team captain.

Graduating Players Set Mark for Next Year's Team

Next year's football squad will miss the services of this year's graduating players.

JOE PENDRY, 190-pound guard, who was named captain of the All-County team, was one of the leading blockers on offense. He was in on 118 tackles, intercepted four passes, and recovered 8 fumbles. "He never failed us," said Coach Beckelheimer.

CHARLIE TOLER, 5-10, 178-pound offensive guard and defensive tackle, was co-captain. Coach Beckelheimer commented, "He was one of the best downfield blockers I've ever seen in high school football!"

ELWOOD PENNINGTON, a 6-3, 175-pounder, played both ways at end for the Indians. He scored three touchdowns and one extra point although he didn't play football last year. "He helped us tremendously," Coach Beckelheimer stated.

GENE REID, the leading county scorer, tallied eleven touchdowns and ten extra points, all on runs, for a total of 76 points and gained 1,116 yards in 141 carries. Coach Beckelheimer commented, "He did a fine job all year. He was following his blocking better and was running harder."

STEVE PENDRY, 6-0, 185-pounder, played offensive left tackle and defensive right end. This year Pendry had a total of 40 tackles, 8 assists and 32 individual tackles.

BILL STAFFORD, a 6-0, 210-pound "big boy", played offensive right tackle and was kick-off man for the Indians. Coach Beckelheimer said of Bill, "He was a big help in making us roll."

MIKE COOK, a 165-pound halfback, is a two-year letterman. In the Oceana-Clear Fork game he picked up 113 yards rushing for 13 carries.

TOM SMITH was injured several times during varsity and junior high football, but his typical Indian spirit brought him back to the game. A 165-pound halfback, he picked up 121 yards rushing in the Oceana-Chapmanville game for an average of 11 yards per carry.

TOM HUBBARD had to leave the squad at mid-season with a knee injury, but helped up to that point. He played right guard and middle line-backer on defense.

LES DANIELS, a good line-backer, had some injuries last season but didn't let them keep him down. He could play where needed and was an asset to the team.

MIKE BOSHELL, a two-year letterman, was a defensive and offensive end. He was a big help to the team.

UNDEFEATED INDIANS are crowned Class AA champions after routing Williamstown, 95-72, in the final game of the state tournament at Charleston. FIRST ROW: Larry Cook, Larry Laxton, Joe Pendry, Coach Paul Greer, Benny Cook, and Elwood Pennington. SECOND ROW: Manager Billy Harvey, Assistant Coach John Beckelheimer, Principal Ronald Cook, Larry Perry, Larry Mathis, Carl Fleenor, Greg Daniels, Randall Topping, Tommy Evans, Ralph Hannah, Manager Mike Cook, and Dr. E. State Champs Compile Remarkable 26-0 Record

After scalping Williamstown, 95-72, in the state tournament, the Indians returned with the Class AA state crown and a remarkable 26-0 record.

The Indians made their way to the finals by downing Mullens, 111-74, and Baileysville, 80-47, in the sectional tournament; Hinton, 98-51, and Beckley Stratton, 81-63, in the regional. In state tourney play, the Indians trounced Clarksburg Roosevelt-Wilson, 80-54, before winning the big one.

During regular season, the "Starting Ten" played seven games with Class AAA schools along with thirteen strong AA teams of the area.

Balance was the story of the year with pivotman Larry Laxton, backcourt man Tom Evans, rebounding forward Joe Pendry, alternating forwards Elwood Pennington and Ralph Hannah, and Benny Cook, the little middleman in the pressing defense, contributing their talents.

Randall Topping and Larry Perry, capable rebounders and potent scorers, speedy Larry Cook and Greg Daniels with his outside shot added to the balance of the championship team that was never stopped. Sophomores Larry Mathis and Carl Fleenor gave good performances in tourney play.

Balance, hard work, and team effort told the story from the opener with Baileysville to the victory over Williamstown in the state finals.

WHICH WAY OUT? Freshmen Nancy Shannon, Mike Osborne, and Kay Blackburn ponder over directions given in school handbook.

FRESHMEN joined traditional festivities with their homecoming float.

Hotel Hamilton and Restaurant
Oceana, West Virginia

AFTER FORTY YEARS, the Class of '25 had its first reunion with only two members absent. Following a banquet, the class attended graduation exercises for the Class of '65. Retired Marshall University professor, Dr. Holly C. Darlington, who was principal of Oceana High in 1925, was present. At front are Dr. Darlington, Mrs. Wanna Cook, Mrs. Nelle Walls Stearns, and Mr. Phillip Roach. At back are Mr. S. Willis Gunnoe, class president; Mr. Vaughn Cozort, Rev. Wayne Rollins, Mr. Emmett Walls, and Mr. Hubert Dawson. Mr. Warner Walker and Mr. Bernard W. Cook are members of the class who were unable to attend.

1925- Key to Understanding -1965

PROCESSIONAL is played by Mr. Fred Shannon, Jr., choral director.

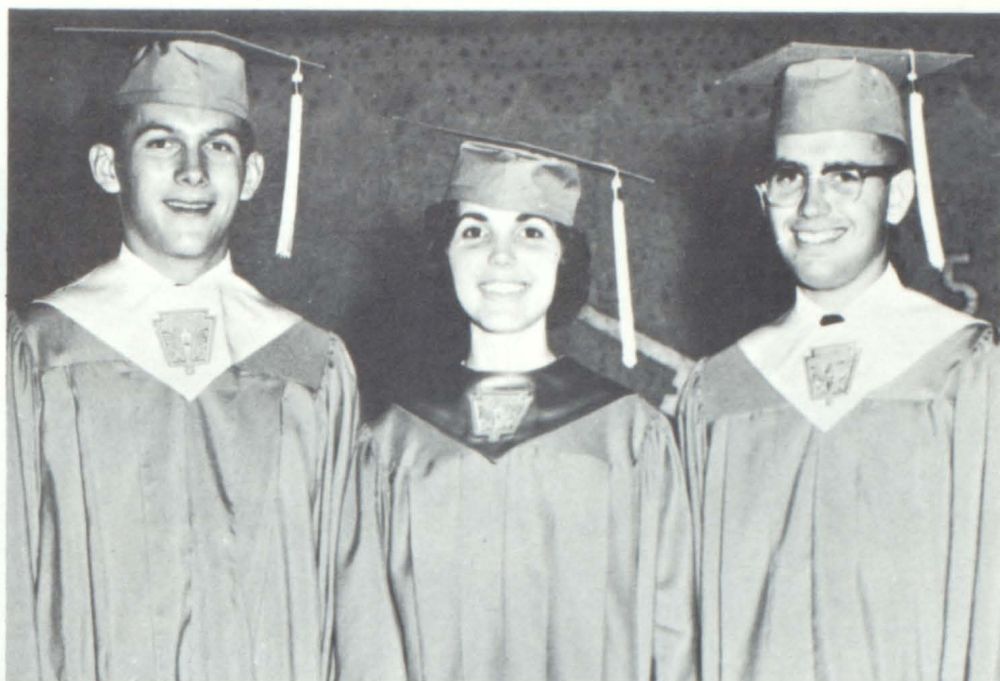

THIS IS IT! It's time for seniors to begin the long march.

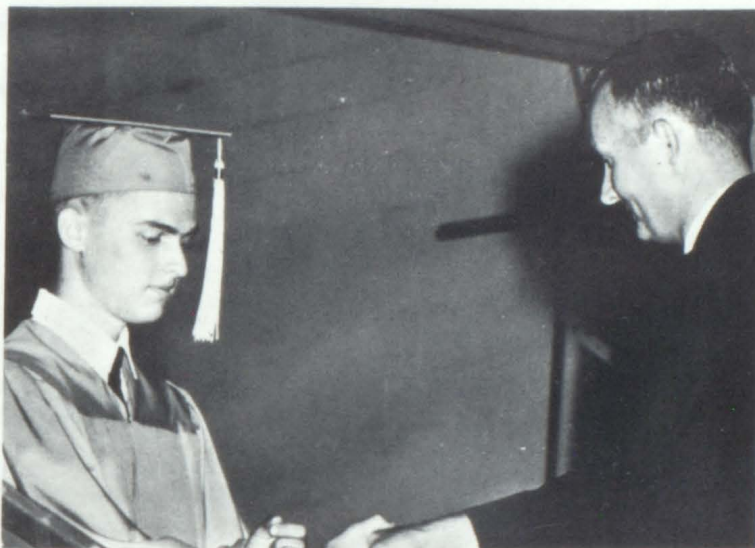

DIPLOMAS were presented by Mr. Kennie Hatfield, assistant superintendent of Wyoming County schools.

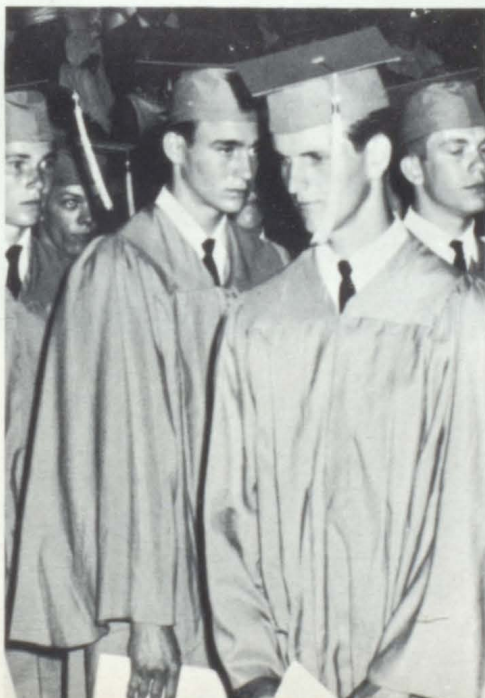

CLASS SPEAKERS at graduation were Mike Cook, salutatorian; Jo Ann Toler, honorarian; and Harold Walters, valedictorian.

A New Beginning

DIPLOMAS mark the end of four years at Oceana High and a new beginning for the Class of '65.

TOP VOCATIONAL student was Chester Toler, who receives award from Principal R. L. Cook.

SINGING with the chorus for the last time, seniors join in "The Land I Love."
